

ENGINEERING ASSOCIATE –WATER / WASTEWATER KNOXVILLE, TENNESSEE

McGill serves public and private clients throughout the Southeast. The range and depth of McGill's expertise includes a wide spectrum of engineering services, land planning and recreation, as well as financial and management consulting services. ***We are currently seeking highly motivated candidates for an Engineering Associate on our Water / Wastewater Team in our Knoxville, Tennessee office.***

Our foundation is built on creating comprehensive solutions in a personal way. Collaboration is the key to our success and clients are an integral part of every project at McGill. By building lasting relationships with communities, we understand our clients' visions and project goals. Our dedicated project team focuses on delivering a customized solution for each unique community.

We help our clients identify challenges, formulate responsive solutions, and manage successful project completion. Through partnership, we shape the best results for each client and community.

Essential Duties and Responsibilities

Duties include the application of general civil and environmental engineering design principles on a variety of public and private water and wastewater projects. Typical project responsibilities will include basic engineering computations, design, layout, modeling, CAD and engineering report writing.

- Bachelor's degree in Civil or Environmental Engineering or a related field

- Engineering Intern (EI) Certification or ability to obtain EI Certification within 6 months of hire
- Valid Tennessee driver's license
- Proficiency in AutoCAD – Civil 3D
- Proficiency in commonly used computer software (Word, Excel, Outlook)
- Excellent writing and communication skills

Physical Demands

- Frequently required to sit, talk, and hear
- Occasionally required to stand and walk
- Reach with hands and arms
- Use hands to finger, handle, or feel objects, tools, or controls
- Frequently lift and/or move 35 pounds
- Occasionally lift and/or move up to 50 pounds

How to Apply

To apply, please email resume to recruiting@mcgillassociates.com. Please list "Engineering Associate – KNXWWR" in the subject line of your email.

McGill Associates is an Equal Opportunity Employer. All terms and conditions of employment including, but not limited to: hiring, placement, promotion, termination, transfer, leaves of absence, compensation, and training comply with the regulations of Title VI and VII of the Civil Rights Act of 1964. Employees are entitled to work in an environment free from any kind of unlawful discrimination or harassment.

Federal law requires all employers to verify the identity and employment eligibility of all persons hired to work in the United States. McGill Associates participates in E-Verify.

McGill Associates conducts background, credit, and motor vehicle checks in compliance with all federal and state statutes. An offer of employment may be extended to an applicant prior to the completion of these checks, but the applicant may not begin work until the completion and approval of the results.

McGill Associates conducts pre-employment, random, project specific, for-cause, and post-accident drug screens in accordance with all federal and state statutes.

McGill Associates will make reasonable accommodations for qualified individuals with known disabilities unless doing so would result in an undue hardship. All McGill Associates' facilities comply with the Americans with Disabilities Act. Persons with hearing and/or speech impairments may contact McGill Associates by dialing 711 to access the state Relay Service for TTY/TDD.
